The following is an examiner's statement of reasons for allowance: The prior art taken either singularly or in a combination fails to anticipate or fairly suggest the limitations of the independent claims, in such a manner that rejection under 35 U.S.C. 102 or 103 would be proper. 3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The closest prior art Wada (6,816,320 B2) discloses a zoom lens
